## President's Message

by Devon Felsted

Dear Kiwanians,

We definitely need the groundhog to NOT see his shadow this year. Talk about a winter! February may be the hardest month for us as a club to get through in 2008. Not only has this winter been shaping up as one for the history books, but we have a lot of home basketball games that our club is responsible

for parking. From January 31st to February 23rd we have a total of six games to park. That's one game every 4 days on average! If you're healthy enough to brave the weather, we NEED you out there parking cars at least once during that 24 day stretch. Please help us out. After February the lion's share of our fund-raising responsibilities will be over. Then we can concentrate more on serving our community, our world, and our children. We'll be able to do wonderful things with all the funds that we've raised. We've already started planning on whipping Kiwanis Park into shape and also getting a major food drive going for the area. Please consider volunteering to help these two new projects to get off the ground.

Kudos go to Dennis McConnell and Brenda Cox for a superb Pancake Breakfast. I don't have the figures at my fingertips, but apparently we broke the record for income from pancake ticket sales and we definitely broke the record for fund-raising at the Silent Auction. Thanks to everyone who assisted Dennis and Brenda at the breakfast and on the auction!

In January, we lost Kiwanian Don Pelton. I'm sorry that I don't have the details about Don's life, but I can tell you that he always was in a great mood. He often regaled the club with tales about his cat's antics and he was an avid market watcher. I'll always remember the time when he said he went to the bathroom and during the time he was in there, the market had risen (or was it dropped?) over 200 points (as told to us during Happy Time). We'll miss Don.

# 48<sup>th</sup> Annual Kiwanis Pancake Breakfast

**Dennis McConnell  
The Man in Charge**

The Pullman Kiwanis had their 48<sup>th</sup> Annual Kiwanis Pancake Breakfast on 1 Dec 2007 at Lincoln Middle School. By all accounts it was a roaring success! Over 50 Kiwanis members, Key clubbers and Circle K jumped in to help in many ways. There were over 850 people served on the pancake line, but many more tickets than that were pre-sold. As a minimum, the profit on the sale of Pancake tickets were a little more than \$5000 after expenses. The silent auction with over 100 items was also a huge popular and financial success. Brenda Cox organized the auction, contacted the businesses and individuals for donations, collected the donations and insured that all auction items were paid for and picked up in a timely manner. In fact, the entire auction proceeds were collected in less than a month, a feat never before accomplished! The proceeds from the auction came to over \$7000, a record amount! So everyone had fun, the pancake breakfast and the auction made money that will help the community, and all the Pullman Kiwanians can have a warm glow of accomplishment and hard work.

## President's Message Continued from front Page

Long time member Carroll Hayden is moving away and will be sorely missed. He has been a very active member and we have relied heavily on his service. He promises we will see him from time to time in the future, and that he will pitch in on parking and other activities whenever he is visiting in town. Best wishes to you Carroll from all of us.

Let's everyone make an effort to recruit a new members. Write down three names of possible new members. Think about who would make a great addition to the club and ask them to join you for a meeting. It's easy! Let's keep Kiwanis the biggest and best service club in town.

Finally start thinking about serving on our club's board of directors starting this fall. Or better yet, volunteer to be the club's next vice-president. We always need great minds like yours to help manage the club! Have a great month and let's all pull for that groundhog to not see the shadow.
