President's Message

As we start a new year, I want to thank everyone for a fabulous 2007. We had a lot of fun, learned a lot, and did a little good for the community and the world while we were at it. We are **DONE** with football parking and with pancakes until next fall! That feels so good. January is when the heavy lifting known as Basketball parking begins. We

have three games in January, five in February, and only one in March to park for the great WSU basketball team. Be part of one of the very best basketball programs in the entire nation: take two hours and park before one of those games! We appreciate anything and everything that you do!

The pancake breakfast was fabulous! Brenda Cox worked very hard on the silent auction and we have revenues approaching \$7000. That is unbelievably great! The actual breakfast was superb also. We collected over \$5000 in ticket sales. Thank you, Dennis! As always, it was a lot of fun to help put on a Christmas breakfast for the community. Working the pancake breakfast is more fun than the law should allow.

We're working on narrowing down which service projects we want to take on for the club. We are focusing on the following projects now as they received the most votes in the election that Suzy recently held: 1) Make Kiwanis Park the best park in Pullman, 2) Provide suitcases for foster children, 3) Make homes handicap accessible for those in need, 4) Expand bike trail system in Pullman (add trails to WSU and schools), 5) Buy Windows for Gladish, 6) Create and install mile markers on working trails, and finally 7) Hold the Biggest food drive ever (or a breakfast food only drive for kids in our community). Frank and I also really like the idea of providing wireless networks throughout Pullman to support internet use for all in the community! We should be having a number of Thursday noon meetings in the coming months focused on selecting which projects we want to put our resources and our energy towards. Keep up the good work, everyone. We keep getting new members and that is so great. Keep recruiting your friends and neighbors (and anyone else you can find) so Kiwanis can remain one of the greatest clubs ever!

Happy 2008!!!

EDITOR'S CORNER

by Frank Farrow

Happy 2008!!! Hard to believe another year with all its joys and challenges is upon us. As Kiwanians we are looking forward to adding many new members to our club and beginning some projects that will be valuable contributions to our community. Let's each resolve to add just a little more energy to the club this year.

The Bulletin is only two pages this time....It's the holidays....Next time we'll have the numbers for the Pancake Breakfast, Football Parking and some more concrete ideas on what our new projects will be. Dennis McConnell accepted the assignment for Program Chair for January. As we went to press he had not finalized the dates for the speakers. As soon as we have the list Jim will put it in the weekly email.

I hope you take time to check out our website at www.pullmankiwanis.org. You can even read the Bulletin on that site. We may be looking at the idea of not mailing the bulletin to those of you who prefer getting it online. This could save the club \$30 per month in postage. Let us know your opinion.

The deadline for articles submitted for the January Bulletin is Sunday 23DEC07. The Bulletin is published the last Thursday of each month.
