President's Message

by Sarah Hanks

I will defer my space this time to others. Thanks to everyone for helping in our various projects and making The Kiwanis Club of Pullman a big success.

Check Presented to PCW

Vice President Terry Candler presents a check for one thousand dollars to Pullman Child Welfare represented by Jack Alexander and Jon Anderson. The money is part of the income from the Pancake Breakfast. It was decided to act promptly since the needs of those served by PCW is greater this year than before.

BASKETBALL PARKING UPDATE:

I want to thank everyone who has helped out with Basketball parking so far this season. Special thanks go to Tom Harris for parking the most games, followed by Ralph Bowman, Doug Cox, Dennis McConnell, Sandra Woodrow, Bob Patrick, and Rod Thornton and anyone I might be forgetting. Surprisingly enough, organizing basketball parking has been a much more enjoyable job than I had hitherto suspected. There seems to be a lot less stress than Football parking or even the Pancake Breakfast. (Less stress or perhaps I'm not taking it seriously enough, not sure on this one!).

Here are a couple notes from WSU Athletics that we should remember when parking. We often get members of the media claiming that they have the right to park in Lot A. Members of the media need to have an "A Permit" just like anyone else to park in our beloved Lot A. John David Wicker informs me that members of the media have the chance to buy the parking pass for this lot just like other members of the public; if they choose not to get the parking pass, they need to park in General Parking). Similarly, people who are President's Associates have no special parking privileges and need to park in general parking. Likewise, WSU wants all disabled to park on the north side of Beasley Coliseum (off of Orchard Drive). We are to tell people with Disabled Permits to go to Orchard and get parking there and not to park in Lot A. Finally, John David is considering blockading off the entrance in the southwest corner of the lot to eliminate that bottleneck. I will let you know what he decides.

Keep up volunteering for parking. I have enough volunteers for the first three games in January, but I will be recruiting for help for the remaining games. If you are physically able, please sign up for at least one game if you haven't already done so; it's only a two hour commitment which is a lot less than that slave driver Dennis made us do for Football Parking!

Keep up the good work. Kiwanians are truly a joy to work with!
