## President's Message

by Devon Felsted

We finally made it to summer! Hooray!

We have had a few exciting developments during the month of May. First, Terry Candler has agreed to be our club's next Vice-President. That means he will be an officer of the club for the next four years and will be our President from October 2010 through September 2011. Presuming that he is elected, that is. I know Terry spent many, many hours in the freezing cold last winter helping us park cars for the WSU basketball games. I am so grateful that Terry has stepped up to the major challenge of the four-year officer trek. Terry's acceptance of being put on the ballot to run for Vice-President opened up a spot on our Board of Directors. We found the replacement for him in Sandra Woodrow, a new member to our club from Milpitas, California. She sought us out and joined our club. She is a native Mississippian. She's been married to her husband Tom for forty years. She has two 16-year old kids at home. I am very impressed by Sandra's commitment to both Kiwanis and our community. Not only has she agreed to be on the club's Board of Directors, but I recently appointed her to succeed Karl Cozad as the Chair of the Community Services Committee. She has expressed interest in using Kiwanis' resources in helping to solve some glaring problems in our community. I was so impressed by her energy, concern, and commitment to Kiwanis ideals, that I appointed her as chair one week after she became a member.

Currently Sandra is trying to activate the Community Services Committee. We have many great Kiwanians on the committee (Julie Smitt, Dennis McConnell, Jon Anderson, Debbie Jo Sherman, Diane Smerdon, Randy Baukol, Pete Dickinson, Carl Engle, Clive Gay, Justin Rogers, and Bob Luedeking).

Speaking of committees, don't forget the good work that the Special Kiwanis Park Committee is doing. We have a beautiful park right downtown on the banks of one of Pullman's rivers. But it is in need of a lot of tender loving care. As Kiwanians, we have a responsibility to take care of our park. Please join us Saturday, June 7th at 9:00 am for a Kiwanis work party to clean up our park. Mark your calendars now. Also, don't forget the Fishing Kids fun on June 14th; call Bill Skavdahl to help with this service project.

### President's Message Continued:

In closing, I want to ask you to keep Fred Koehler and his family in your prayers and thoughts. The other day, when I drove by his house with an ambulance parked outside, I knew it couldn't be a good thing. As I write this, Fred is in Sacred Heart Hospital in critical condition. If we lose him, we lose a major member of our club. I will always remember Fred organizing the Crop Walks every September. I will remember his cheerful willingness to help with Football Parking. I will remember that he and his wife bought cookie dough from my daughters for the PTA fund-raiser. This may be the best and worst part of being a Kiwanian. We get to meet, joke, commune, and work with some of the highest quality members of our community. Then when we lose them, we mourn for them; but at least we are able to comfort each other while we mourn. Please keep a prayer in your heart for Fred and his family.

---

We are having a Kiwanis Park work party on Saturday, June 7, 2008 starting at 9:00 a.m. at the Kiwanis Park on Grand Avenue next to the Neill Library. We expect to do some weeding, pruning, cleaning up, and possibly ground preparation for planting. Bring gardening gloves, weeders, choppers, garden tools, shovel, rake, a trash bag or two ... whatever you want to do will surely be helpful. We expect to be there an hour or two depending on the number of people who show up to help. We welcome all club members, not just those on the park committee. We have invited Don Heil to advise us.

### Community Service Committee or other interested Kiwanis member's:

Please join me (Sandra Woodrow) at my home (2410 High Point Court) for finger food and fellowship June 4th 6:30 to 8:30 p.m. to review the November 7, 2007 voted for projects. Determine the steps to implement a few of the projects which received the most votes or add others for the rest of the year .
