President's Message

by Sarah Hanks

During my first month as your President, I have come to know the Kiwanis world much more deeply than I had anticipated. It has been a pleasure to understand your passions, hear your concerns, and become inspired by your enthusiasm for the future of the Kiwanis Club of Pullman.

I am proud to be a Kiwanian. I am proud of our mission, our programs, our members and youth. I am proud to serve as your President and look forward to charting a course with you that is memorable and adds value to the community and in each of your lives. It will be a true pleasure to extend these same opportunities to new members of our Club, as we have several friends to welcome into the ranks of Kiwanis during the coming month. By joining Kiwanis, members are confirming their investment in our community and to improving the lives of children and families on the Palouse. It is our responsibility as a Club to respond to their request to serve and be served... now and in the future.

I am excited to continue celebrating the traditions of our Club, upholding the foundation on which so many wonderful community services have been provided, while challenging our members to remain relevant, engaged, and active in facing the current needs and changing face of the Pullman community. Kiwanis International and our PNW Governor, Wendy Falkowski, has invited us to consider "Kiwanis Next". This initiative challenges Clubs, and each member, to reflect on new ways to serve, recruit, give back, and support communities. I am inspired by the opportunities ahead for our Club, especially our new members who will enhance our ability to impact youth and families in Pullman.

I am proud to be a Kiwanian! I hope you are as well and will consider inviting someone to share in the friendship, service, leadership, and joy of being a member of the Kiwanis Club of Pullman. Kiwanis Next begins NOW!

OK Fellow Kiwanians, Join in the Fun!

This is our big fund raising time of the year. We have two more Football games to park and Basketball Parking is coming up soon. Sign up as soon as you can to do your part and to get your favorite spots. “Many hands make the labor light.” In addition to parking, we have the Pancake Breakfast and Silent Auction rapidly approaching. Vice President Terry Candler is in charge of the breakfast and Director Sandra Woodrow volunteered for the auction. These leaders need your help NOW. Particularly the Silent Auction depends on ideas and generous contributions from members and businesses. The income from the auction can range from \$2000 to \$7000 depending on our early and vigorous commitment. This is one place we can really make a difference. Participation in these fundraisers are a good way to spend time with our Kiwanis friends and interact with the community. Help put the “FUN” in FUNdraiser. Time is running out...Act now!

Remember these are the good old days.

The deadline for articles submitted for the December Bulletin is Sunday 16NOV08. The Bulletin is published the last Thursday of each month.
